

IV Veteran Retiro Madrid

October 17-18, 2026

Cars built before 1930

Jarama circuit (oct 17th)

Parque del Retiro (oct 18th)

IV Veteran Retiro Madrid, October 17-18, 2026

Dear partner and/or friend:

Veteran Car Club de España will be organising on the 17th and 18th of October the "Veteran Retiro Madrid". A big opportunity to share and enjoy together our passion for veteran cars manufactured before 1930.

Saturday 17th of October: coinciding with the Jarama circuit JPA, we will be meeting first at the Veteran's BOX to collect the accreditations. Afterwards, we will start the 20-minute route continuing with a stop for lunch and finishing the day with a route together back to the hotel (Returns to Jarama + 20 km).

Sunday 18th of October: All vehicles will leave the concentration point near the hotel in the morning. Everyone must be wearing clothes according to the time of manufacture of their car. We will be having police officers escorting us throughout the route to ensure safety during the track. The route will be approximately 25km long through Madrid centre finishing in the Retiro Park for the Static exhibition (2 hours).

Eventually, we will be returning back to the starting point for lunch and the awards ceremony (this track will be approximately another 25km).

All 30 cars MUST be manufactured before 1930. Repetition of models will be avoided.

- *Older vehicles will have priority.*
- *Registration must be done by transfer and sending the duly completed registration form.*
- *Hotel and restaurants are reserved for the maximum participants inside the 30 vehicle limit.*

There will NOT be released extra vacants after all vacants have been filled.

Route and maximum age of the vehicles may be modified by the organization in exceptional cases.

Registration deadline: 2026 september 15th

By requesting registration, participants authorize the use of the photographs and videos taken during the event and in which the vehicle they own or themselves appear, are obliged to respect and comply with the rules of the Traffic Code and current Ordinances and obey the instructions they receive from the different forces of Public Order that accompany this act, as well as to accept the particular regulations of the event. The Organization is not responsible for any damage, damage or harm that participants and their vehicles may suffer or cause during the itinerary. It is understood that the admitted vehicles are up to date in terms of documentation and insurance, having the mandatory R.C. insurance covered. provided by current law. Each participant on their own behalf and on behalf of their occupants and in the event of an accident excludes the Organization and Sponsors of this event from all criminal and civil liability and waives any claim against them. At the Veteran Car Club of Spain, we are committed to giving our Members all the help they need for the rehabilitation, restoration and maintenance of their vehicles. We inform you that according to law we have updated our privacy and data protection policy. As you probably know, the new General Data Protection Regulation (GDPR), applicable throughout the European Union, requires all companies and associations to have a greater degree of supervision in the processing of data. In this sense, we have taken measures to review and, where appropriate, adapt our internal controls to the new requirements to safeguard your data and protect your privacy. Once again, we remind you that to clarify any questions or exercise your data protection rights, you can contact us by email at presidenteveterancarclub@gmail.com
